Education	University	Institute	Year	CGPA / Percent
BE in Electronic and communication.	Anna University	V.S.B Engineering College	2023	8.25

ACHIEVEMENTS

- Awarded “**Talent Sprint’s**” “Java J2EE” certificate with 82%.
- Cognizant’s** “Digital Nurture 2.0” certificate.
- Achieved a Java Programming Certificate from **Infosys** Springboard, conquering a challenging **30** - questions.
- Achieved a **Data Structures and Algorithm using java** from **Infosys** Springboard.

INTERNSHIPS

TECH MAHINDRA [Jan – June 2023]

Web Development

- Actively participated in front-end web development projects, optimizing **2** responsive e-commerce websites.

PROJECTS

ELECTRICITY BILLING SYSTEM [Jan – May 2023]

- Developed an Electricity Billing System using Java, ensuring **95%** accurate bill calculations.
- Implemented automated email notification for bill generation, reducing manual effort by **70%** and enhancing customer communication.
- Validated system reliability with successful testing on **50** users.

CRUD BASED JAVA APPLICATION [Jun – Sep 2023]

- Developed a Java program for managing login credentials in a MySQL database.
- Seamless user interaction with a menu-driven interface, MySQL database integration for data storage.
- Add, view, update, and delete functionalities, Robust exception handling to ensure data integrity.

WEB PHISHING DETECTION [Aug – Dec 2022]

- Guided deep neural networks and machine learning models using a carefully designed dataset to accurately predict and detect web phishing activities.
- Customized relevant URL- and website content-based features from a comprehensive collection of website URLs, encompassing both legitimate and phishing purposes.
- Explained each model's performance metrics in-depth, providing the best efficiency and precision in phishing detection.

SOFTWARE SKILLS

- Programming Languages:** Java, Python, C
- Web Development:** HTML, CSS
- Framework:** Bootstrap, Django
- Database:** My SQL, Mongo DB
- Version Control:** GitHub
- Problem-solving, Communication

CERTIFICATES

- Achieved a Software Engineering and **Agile software development** certificate from **Infosys** Springboard.
- Achieved a **Database Management system** certificate from **Infosys** Springboard.
